Abkürzungen:

AP ist die Abkürzung für „Artists Proof“ - zu deutsch „Künstlerexemplar“. Als Künstlerexemplare gelten eine begrenzte Anzahl von Drucken einer Auflage (normalerweise zwischen 5 und maximal 10 Prozent), die zusätzlich für den Eigenbedarf des Künstlers hergestellt werden. Sie werden in der linken unteren Ecke vom Künstler mit dem Kürzel „A/P“ gekennzeichnet. Heutzutage überlassen viele Künstler die Verwertung ihrer „A/P's“ ihren Verlegern, die diese Exemplare häufig zum doppelten Preis der eigentlichen Auflage anbieten.

PP bedeutet „Publishers Proof“ - zu deutsch „Verlagsexemplare“. Diese Drucke sind als Probedrucke für den Verlag anzusehen, die normalerweise nicht zum Verkauf gedacht sind.

SN steht für „signed and numbered“ - zu deutsch signiert und numeriert vom Künstler
